Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Amended 12/19)

- a) Single family homes for sale or exchange
- b) Vacant lots and acreages for sale or exchange
- c) Two-family, three-family, and four-family residential buildings for sale or exchange
- d) Land/farm
- e) Commercial
- f) Industrial

NOTE 1: Leases (only) and Business only listings do not have to be submitted to the Service. If the property is listed "For Sale or Lease", it must be submitted to the MLS.

NOTE 2: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

- (1) may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the Participants
- (2) assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller)

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to cooperate with other Participants of the Multiple Listing Service acting as subagents, buyer agents or both. (Amended 6/24)

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service.

The different types of listing agreement include:

- a) exclusive right to sell
- b) exclusive agency
- c) open
- d) net

The Service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted except where required by law because the inherent nature of an open listing. Cooperation is the obligation to share information on listed property and to make property available to the other brokers for showing to prospective purchasers and tenants when it is in the best interest of their clients. (Amended 6/24)

The exclusive right to sell listing is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with other brokers in the sale of the property. (Amended 6/24)

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. The exclusive agency listing should be clearly distinguished by a simple designation such as a code or symbol from the exclusive right-to-sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations. (Amended 6/24)

NOTE 3: A Multiple Listing Service does not regulate the type of listings its Members may take. This does not mean that a Multiple Listing Service must accept every type of listing. The Multiple Listing Service shall decline to accept open listings (except where acceptance is required by law) and net listings and it may limit its service of listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the Multiple Listing Service.

NOTE 4: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings.

Any listing with respect to which the listing broker is not obligated to provide, and will not be providing, any "substantial" services as defined herein, must be designated by the code "LR" ("Limited Representation"). Use of that code serves only to distinguish such a listing from other listings with respect to which listing brokers will provide substantial services, regardless of whether the listing is an exclusive agency or exclusive right-to-sell listing. For purposes of this rule, the term "substantial services" includes, but is not limited to, the listing broker's participation in presentation of offers to purchase the listing property to the seller, the seller's consideration of such offers, or the seller's making any counteroffers. (Amended 10/01)

This is referred to as "Temporary Off Market" in the MLS and listings are coded as "TOFF" or "Tmp Off Mkt". Since the listing contract is still enforce, sales associates may NOT contact the seller if the TOFF appears in the MLS. Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller. This is referred to as "Cancelled Off Market" in the MLS and listings are coded as "COFF" or "Cncl Off Mkt: The listing contract is null and void. (amended 06/18/14)

Section 1.10 Expiration, Extension, and Renewal of Listings: Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. *(Amended 11/01)*

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service. *(Amended 11/01)*

NOTE: The Board of Directors has elected to allow members to use the same listing number in the MLS up to 30 days beyond the expiration date without having to enter the listing as new. *(Adopted 9/98)*

If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing number must be secured for the listing to be filed with the Service. It should then be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and be filed with the Service.

NOTE: Listing #'s in the MLS cannot be transferred from one office to another. *(Amended 10/01)*

If a Participant has been suspended from the Board (except where MLS participation without Board Membership is permitted by law) or MLS (or both) for failure to pay appropriate fees, or charges, a Board MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of the current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal and the suspended Participant must advise his clients.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 2.3 Right of Broker in Presentation of Offer:

The cooperating broker (subagent or buyer agent) or his or her representative has the right to participate in the presentation to the seller or lessor of any offer he or she secures to purchase or lease. He or she does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the broker not be present when an offer the broker secured is presented, the broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within 24 hours after occurrence and the listing broker shall report them to the MLS within 24 hours after receiving notice from the cooperating broker. (Amended 06/14)

NOTE 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

NOTE 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 06/14)

NOTE 3: As established in the Virtual Office Website ("VOW") policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 06/14)

NOTE 4: Information on the selling price, selling office, seller concessions and selling agent must be correctly entered in the MLS. (Amended 1/05)

Section 2.6 Reporting Resolutions of Contingencies: The listing broker shall report to the Multiple Listing Service within twenty-four (24) hours that a contingency on file with the MLS has been fulfilled or renewed, or the agreement canceled.

Section 2.7 Advertising of Listing Filed with the Service: A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker.

Section 4.3 Solicitation of Listing: Participants or licensed and affiliated subscribers shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

NOTE: This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This Section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This Section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or the interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. (Amended 11/01)

Section 4.4 Services Advertised as “Free” MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. (1/22)

Section 4.6 No Filtering Of Listings: Participants and Subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent. (Amended 6/24)

No Compensation Specified on MLS Listings: Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant’s access to any MLS data and data feeds. (Adopted 6/24)

NOTE 1: The association multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The association multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers). (Amended 6/24)

NOTE 3: The Multiple Listing Service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

NOTE 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale.

Section 5.0.0 Required Consumer Disclosure: Disclosures of Compensation MLS Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).
2. Conspicuously disclose in writing to sellers, and obtain the seller’s authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay. (Adopted 6/24)

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants.

Section 5.0.21 Written Buyer Agreement: Unless inconsistent with state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

- a. A specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source.
- b. The amount of compensation in a manner that is objectively ascertainable and not open-ended.
- c. A Term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer and
- d. A conspicuous statement that broker fees and commissions are not set by law and are fully negotiable. (Adopted 6/24)

Section 5.1 Participant as Principal: If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the Multiple Listing Service, that person shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants. The listing may be exempted. See Section 1.3 for details. (Amended 10/01)

Section 5.2 Participant as Purchaser: If a Participant or licensed and affiliated subscriber (including licensed and certified appraisers) wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Service Charges

Section 6. Service Fees and Charges: The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

- a) **Initial Participation Fee:** A Participant (Broker and/or Appraiser) shall apply for participation in the Service and shall pay an application fee in an amount as determined by the Board of Directors, subject to change from time to time, with such fee to accompany the application. The Participant (Broker/Appraiser) shall pay an application fee for each of the licensees in their office. Every licensee affiliated with a Participant in the Service shall subscribe to the Service. (Amended 06/14)
- b) **Recurring Participation Fee:** The participation fee of each Participant shall be equal to an amount set by the Board of Directors times each subscriber who has access to and use of the Service (who is employed by or affiliated as an independent contractor with such Participant or holds a license). Payment of such fees shall be made on or before the tenth day of the month invoiced. Participants or licensed and affiliated subscribers who join after the first of the month invoiced will have the service for that month free of charge. However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants to sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated. (Amended 8/2018)
- c) **Listing/Change Fees:** A Participant who utilizes Board of Realtors staff to input data sheets shall pay a listing entry fee in an amount equal to the number of listings filed with the Service during the previous month, multiplied by the listing fee in an amount determined by the Board of Directors. (Amended 06/14)

A Participant who utilizes Board of Realtors staff to changes to input data sheets shall pay a change entry fee in an amount equal to the number of listings filed with the Service during the previous month, multiplied by the change fee in an amount determined by the Board of Directors. (Amended 06/14)

- (d) Reinstatement Fee Refer to Section 7(a).
- (e) Habitual violation of MLS Rules Periodically, the MLS Committee will randomly audit the MLS listings to ensure the integrity of the MLS System and its data. Participants or licensed and affiliated subscribers that habitually violate the MLS Rules and guidelines for MLS data integrity will be assessed a fine as set by the Board of Directors. (Amended 06/14)
- (f) MLS Participant Orientation Fee MLS Participants or licensed and affiliated subscribers who have not paid the NWIA Application Fee, shall pay an orientation fee in an amount set by the Board of Directors, subject to change from time to time. This fee covers the cost of production of paperwork and time of staff to train on the new computer system and MLS Rules. (Amended 06/14)

NOTE 1: A multiple listing service may elect to have such fees payable on an annual, quarterly or even on a monthly basis. However, added administrative services are necessitated by increased frequency of such payments.

NOTE 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, charge recurring fees. (Amended 11/17)

NOTE 3: Any combination of charges may be used if they are in accordance with the National Association's Multiple Listing Policy Point No. 3. Multiple Listing Policy Point No. 3 prohibits a fee that is contingent on the sale of a listed property.

NOTE: Financing from the Multiple Listing Service should be adequate but not in such amounts as to be the source of financing the Association's operation. The Multiple Listing Service should pay its own way and allow for a reasonable operating reserve, but it is merely another service of the Board and not the principal activity or reason for the Association's existence. As long as it is able to restrict its services exclusively or primarily to MLS Participants or licensed and affiliated subscribers, the Service is not properly an Association profit center. (Amended 10/01)

Compliance with Rules

Section 7. Compliance with Rules – Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. (Amended 3/15)

NOTE 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Amended 5/14)

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year. (Adopted 11/20)

The following action may be taken for noncompliance with the rules:

- a) For failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days notice has been given, the Service shall be suspended. A \$250 reinstatement fee will be assessed and all service charges and fees must be paid in full before Service will be reinstated.
- b) Any Participant (or licensed or affiliated subscriber) found to be habitually compromising the integrity of the MLS data, shall be subject to a fine as determined by the Board of Directors. The MLS Committee will randomly audit listings or written complaints to determine if a fine is substantiated. Accuracy is crucial for maintaining the integrity of the MLS system.

Alleged violations of the current Board electronic lockbox and key system are referred to the Lockbox rules. (Amended 6/24)

- c) For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.

NOTE : Generally, warning, censure, and the imposition of a moderate fine is sufficient to constitute a deterrent to violation of the rules and regulations of the Multiple Listing Service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the Rules and Regulations of the Service. If the MLS desires to establish a moderate fines, they should be clearly specified in the rules and regulations.

Meetings

Section 8. Meetings of MLS Committee: The Multiple Listing Service Committee shall meet for the transaction of its business monthly or at the call of the Chairperson.

Section 8.1 Meetings of MLS Participants or licensed and affiliated subscribers: The Committee may call meetings of the Participants in the Service to be known as meetings of the Multiple Listing Service.

Section 8.2 Conduct of the Meetings: The Chairperson shall preside at all meetings or, in their absence, a temporary chairperson from the membership of the Committee shall be named by the Chairperson or, upon his/**her** failure to do so, by the Committee. (Amended 10/01)

Section 8.3 Fair Housing

Multiple Listing Services are important tools for furthering fair housing because they facilitate the widespread distribution of accurate property information to all consumers. To that end, MLSs must implement a process for identifying potential violations of fair housing laws, advising participants and subscribers to remove or correct potential violations.

Section 8.4 Customer Service and Tech Support

The MLS must display customer service and technical support contact information on the MLS website.

Enforcement of Rules and Disputes

Section 9. Consideration of Alleged Violations: The Committee (Board of Directors) shall give consideration to all written complaints having to do with violations of the rules and regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors).

When requested by a complainant, the MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. (Amended 11/20)

Section 9.1 Violations of Rules and Regulations: If the alleged offense is a violation of the rules and regulations of the service or the electronic lockbox Rules and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the board of directors of the service, and if a violation is determined, the board of directors may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS® within twenty (20) days following receipt of the directors' decision.

If, rather than conducting an administrative review, the MLS has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the board of directors of the MLS within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the professional standards committee of the association of REALTORS® for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®.

Section 9.2 Complaints of Unethical Conduct: All other complaints of unethical conduct shall be referred by the MLS Committee to the Executive Officer of the Board of REALTORS® for appropriate action in accordance with the professional standards procedures established in the Association's Bylaws.

Section 9.3 Complaints of Unauthorized Use of Listing Content: Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the committee (Board of Directors) will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

Section 9.4 MLS Rules Violations: MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules.

Note: Adoption of Sections 9.3 and 9.4 are not required if the MLS has adopted alternative procedures to address alleged misuse of listing content that includes notice to the alleged infringer.

Section 11.2 Each Participant shall be entitled to lease from the Northwest Iowa Regional Board of REALTORS® a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed and certified appraisers) with such Participant with one copy of such compilation. The Participant shall pay for each such copy the rental fee set by the Association.

NOTE: This section should not be construed to require the Participant to lease a copy of the MLS Compilation for any licensee (or licensed or certified appraiser) affiliated with the Participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS, and who does not, at anytime, have access to or use of the MLS information or MLS facility of the Board.

Use of Copyrighted MLS Compilations

Section 12. It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential and may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 3/15)

As used throughout these rules, "display" includes "delivery" of such listings. (Amended 5/17)

SECTION 18.1 Authorization.

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display. (Amended 06/14)

SECTION 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. (Amended 06/14)

SECTION 18.2.3

Listings including property addresses, can be included in IDX displays except where a seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet including, but not limited to, publicly-accessible websites or VOWs or other electronic forms of display or distribution. (Amended 05/17)

Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. (Amended 06/14)

SECTION 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. (Amended 06/14)

SECTION 18.2.10

(Amended 3/15)

SECTION 18.2.11

Section 19

VIRTUAL OFFICE WEBSITES (VOWs)

SECTION 19.1 VOW Defined

- a. A "Virtual Office Website" (VOW) is a participant's Internet website, or a feature of a participant's website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant's oversight, supervision, and accountability.
- b. As used in Section 19 of these rules, the term "participant" includes a participant's affiliated non-principal brokers and sales licensees—except when the term is used in the phrases "participant's consent" and "participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an "Affiliated VOW Partner" (AVP) on behalf of a participant.
- c. "Affiliated VOW Partner" (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant's supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW.
- d. As used in Section 19 of these rules, the term "MLS listing information" refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants. M

SECTION 19.2

- a. The right of a participant's VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b. Subject to the provisions of the VOW policy and these rules, a participant's VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX).
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant's VOW.

SECTION 19.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
 - iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password.
- b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password.
- c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.
 - a. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
